The Children

Activities in the pre-school are based around the EYFS (Early Years Foundation Stage) areas of learning. We encourage learning through play and cover all of the seven areas of learning identified within this framework.

Areas of learning:

- Personal, social and emotional development
- Communication and language
- Physical development
- Maths
- Literacy
- Understanding the world
- Expressive arts and design

Inside:

We have ample space for the children to explore and experience a variety of activities. These include home corner, dressing up and role play, sand/water play, craft and creative activities. We provide a physical area for burning of excess energy and honing spacial awareness and negotiation skills, and a book corner for those quieter moments.

Outside:

We have a well layed-out outside area, enabling free-flow play for the children, allowing them to choose where they play. We have a large permanent sand pit and a wooden 'fort' which the children can use in many ways, including role play or den

building. We have a small garden for the children to plant flowers and vegetables in. This helps them to understand the growing process and can lead to discussions about healthy food.

There is a key person system in place and a carefully planned timetable of activities on offer.

Settling-in Process

Our aim is to provide a safe, happy and friendly environment for each child at the pre-school. The majority of children settle quickly but occasionally a child needs a little longer and a little more support to settle. We understand each child has individual needs.

When you receive your 'parent pack' there are a number of forms to complete, which give us valuable information about your child. If there is anything else you feel we should know about your child, that is not covered, please feel free to talk to a member of staff.

We encourage good manners and appropriate behaviour, as well as caring and sharing in a stimulating and enjoyable environment.

We operate an 'open door' policy and you are welcome to pop in at any time.

Paulerspury Pre-school

Special Needs

Paulerspury Pre-school has a firm commitment to all of the children that attend the setting, especially those with special needs. We have previous experience of all of the procedures associated with a variety of special needs and work in partnership with other Professionals to ensure that your child can reach their full potential. Our SENCO's are (Lead) Kayleigh Whitlock, Michelle Whitlock and Melanie Commons.

We encourage every child to take part in the activities, offering support tailored to each child's individual needs.

Equal Opportunities

We are committed to the principle of Equal Opportunities and our practices reflect a life in a multi-cultural society.

Health and Safety

We have a comprehensive Health and Safety policy, which is adhered to at all times, ensuring the safety of all at the setting.

Operational Plan

Our Operational Plan is available for viewing, by parents and visitors, at all times.

Nutrition

We aim to provide a healthy and well balanced snack for each child. Each snack is freshly prepared on the premises and there is a weekly menu on display in the hallway. Snack time is a special, social time where the children learn valuable life skills.
